PLEASE NOTE: Midwest Transit Equipment, Inc. is engaged in the business of buying, selling and servicing buses, not leasing them. It has, however, established a relationship with a respected independent leasing company to offer customers who wish to lease buses a convenient and reasonably-priced means of doing so. Accordingly, if you elect to lease buses as contemplated by this proposal, the leasing company will purchase the buses from Midwest Transit for lease to you, and Midwest Transit will provide you with all warranty and maintenance services.

For nearly 35 years, Midwest Transit has provided safe, dependable transportation for all types of organizations. During our growth, the majority of our business has been school buses and school bus constructed vans. Today we are proud to say we are the number one dealer for child care buses throughout America.
